Claim 1: (List a minimum of 3)
- Evidence that supports Claim #1
  - Warrant
- Evidence that supports Claim #1
  - Warrant
- Evidence that supports Claim #1
  - Warrant

Claim 2: (List a minimum of 3)
- Evidence that supports Claim #2
  - Warrant
- Evidence that supports Claim #2
  - Warrant
- Evidence that supports Claim #2
  - Warrant

Claim 3: (List a minimum of 3)
- Evidence that supports Claim #3
  - Warrant
- Evidence that supports Claim #3
  - Warrant
- Evidence that supports Claim #3
  - Warrant

Claim: A claim states your position on the issue you have chosen to write about.
Evidence: The evidence or data which you cite to support your claim.
Warrant: The warrant interprets/explains why and how the data proves/supports the claim.

- Are you using a mix of different kinds of evidence throughout the project?
- Do your claims make an effective case for your thesis? Do they lead to your conclusion?
- Does your conclusion connect back to your thesis?
