**Maniac Magee Compassion Project Plan**

**Essential Question:** What can we learn through the lives of others?

Directions: Based on the issues we discussed and learned about in the novel, *Maniac Magee*, you are going to research one of those real world issues; Bullying, Inclusion, Homelessness, or Literacy. This will happen in 4 Levels;

**Level 1: Inspire**

Choose your issue and summarize some of the events that occurred in the novel that inspired you to want to learn more about this topic. Due: on or before November 8th.

**Level 2: Empower**

We will spend ONE DAY in the library researching the issue your group chose.

**Level 3: Act**

In addition to researching the issue your group chose, you will also research and find ways in your community that you can help.

**Level 4: Share**

You will spend THREE DAYS in class preparing your project. Your group will choose one of the following ways to share your project;

- Pamphlet
- iMovie
- Song/Rap/Poem
- Power Point or Prezi
