Scrapbook of Poetry
Ms. Thomason’s Language Arts

We will be putting together a poetry book that will include figurative language. You will spend a few days in the computer lab putting together 8 poems and identifying the figurative language in the poems. You will be required to do a presentation to the class on your PowerPoint and be able to identify each figurative language in all your poems.

Be sure to spend your time wisely, because you will only be given these 2 days!

Here is a checklist of what you need on this project:

___ Find 5 poems off of the listed websites given in this packet. What are those 5 poems? List them here:

1. __________________________________________
2. __________________________________________
3. __________________________________________
4. __________________________________________
5. __________________________________________

___ Copy those poems and the website you found them on to slides in Microsoft PowerPoint. Be sure to cite your sources like we talked about in class!

___ Take your 3 original poems we did in class and add them to slides in Microsoft PowerPoint.

___ Identify the figurative language in each poem and highlight/tag each one.

___ Must have at least 1 example of each figurative language for entire poem collection.
   ___ Simile
   ___ Metaphor
   ___ Hyperbole
   ___ Personification
   ___ Onomatopoeia
   ___ Alliteration
   ___ Idiom

___ Add in pictures and things to make each slide interesting and give more meaning.
Websites to find poetry on:
